

FARIBAULT, MN

The Experience Awaits You!

AREA MAP

visitfaribault.com

Faribault is a city of great experiences set along the beautiful Lake Country of Southern Minnesota. The Faribault area serves as a perfect year-round backdrop for a refreshing vacation or family outing. The relaxed lifestyle and picturesque surroundings draw many people to Faribault. Whether it be the lakes, nature, history, shopping or recreation, they all combine to make Faribault a perfect place to live or visit.

Location & Transportation

Located only 25 minutes south of the Twin Cities metro area, Faribault is conveniently located to meet anyone's needs. Interstate 35 bisects Rice County north to south, providing easy access to most localities. Highway 60 runs east to west through Faribault opening up even more travel opportunities.

Faribault is rich with historic sites. Faribault has more buildings on the historic register in its downtown than any other out-state city. The Rice County museum is a real treasure and is located in Alexander Park, which is named after the founder of the city, Alexander Faribault.

You can tour the house Alexander lived in, located on its original site which was one of the first framed houses built in the area.

Parks & Recreation

Faribault also has a great tradition of festivals and events. The community celebrates an annual Heritage Festival in June, and hosts the county fair in July, in addition to two outstanding festivals that bring in people from all around the region, the Tree Frog Music Festival and the Faribault Airfest and Balloon Rally held in September.

City parks, golf courses, a BMX Track, paintball course, archery, disc golf, softball, baseball, all buzzing with activity for spectators and participants. For those rollerbladers, bikers and walkers you can pass by scenic lakes and prairies as Faribault is the hub for the Sakatah trail system which takes you on a 45 mile adventure.

The city also claims 10 miles of paved trails to explore and the 750 plus acres of the River Bend Nature Center is where you'll be delighted by the trails and programs offered.

The 10 area lakes and two rivers create the scene for fishing, boating, canoeing, restful walks by the lakes and even hearing some fish stories. With so much wilderness area around, bird watching and wild flower excursions are very prosperous in Faribault.

In the fall, an autumn adventure in Faribault could include roaming through pumpkin fields and apple orchards, a music festival, a ride on a glider or visiting the farmers market.

You may want to take in a drive through the campuses of the Shattuck — St. Mary's school and the Minnesota Academy of the Deaf. Both sit on majestic settings and there isn't a better place to be in the State of Hockey than watching hockey at Shattuck.

As Sports Illustrated magazine put it, “Shattuck-St. Mary’s School is to high school hockey what Harvard is to law school.”

Shopping

How about shopping? There is wonderful shopping in the historic downtown with lots of antique and specialty shops. The Faribo West Mall is a treasure of stores surrounded by the fastest growing area in the city for shops and retail. A trip to Faribault is never complete without a stop to the Faribault Woolen Mill Store.

Donahue's Greenhouse and Farmers Seed and Nursery are both nationwide distributors — Donahue's is renown for clematis and poinsettias — and Farmers Seed is the famous catalog company. Both make great stops in the spring and at Christmas time.

With its small town lifestyle, proximity to Minneapolis/St. Paul, access to I-35 and a commitment to economic development, Faribault is an ideal location for business growth and prosperity. The historic downtown, Faribo West Mall and other shopping areas, along with friendly neighborhoods, excellent schools, extensive recreation and cultural activities make Faribault wonderful. Come enjoy all the experiences of Faribault!
